

Denmark High School Performing Arts

2018-2019 PlayBill Ads

PlayBills (programs) are created for each of the productions and ads are sold to families and businesses. There are several options for purchasing an ad per production or for the entire year. *Revenue from ad sales goes directly toward theater equipment and production costs.*

Congratulatory Ads: Congratulate your student and offer them words of support. Send in a photo of your performer and let them know how proud you are of them.

Business Ads: Advertise your business and show your support of local youth and the performing arts. Send in a business card or logo for printing. This is a great way to reach hundreds of community members.
