at the registration desk on Friday for \$15!*

The R. Lynn Woody 55-Minute Play Festival serves as a valuable opportunity for theatre programs to receive constructive, high-quality feedback from accredited adjudicators in advance of the GHSA One Act Play Competition. The festival's guidelines are closely aligned with those of the Georgia High School Association's One Act Play Competition, offering participants a relevant and meaningful preparatory experience. In addition to professional adjudication, the Georgia Theatre Conference recognizes outstanding achievement by presenting awards for 1st and 2nd Place Productions, as well as numerous individual honors celebrating excellence in performance and technical artistry.
