POPA Updates

POPA Volunteers Needed (NEW and OLD)

Our performing arts programs thrive because of our incredible parent volunteers, and we have a great time doing it! We're excited to welcome back our veteran volunteers and invite all new families to join us.

There are many ways to get involved, from joining our POPA Leadership Team to helping out with events in person or donating food and water. When you see a Sign-Up Genius "all call," that's our invitation to everyone! Don't worry if you're new—we'll show you the ropes and introduce you to other families. And don't let your high schooler's "too cool" attitude stop you; we're here to prove that volunteering is a great way to be part of their journey.
