

SEIZE THE DAY for Denmark
Performing Arts
November 2022

Fundraiser starts November 1st and
ends November 30.

How it Works:

- Friends, Family, and Community Members can **SEIZE a Day** on the November calendar and pay the amount shown e.g. November 12th = \$12.
- As dates are SEIZED, students will **document the name** of the donor in the calendar squares.
- Students / Parents **collect the money** through your Venmo, Cash, or Check made out to you personally. Please add your info to the calendar.
- **Utilize Social Media** to share a picture of the calendar or share the printed calendar with neighbors, co-workers, and family.
- Once all dates are SEIZED and money is collected, **submit your payment** to the troupe, either by sending a Venmo payment to: @Denmark-POPA (Don't forget to add the student's name in the payment description) or by placing the cash or check (payable to *Denmark Parents of Performing Arts*) in the envelope along with the calendar and return to the POPA box backstage. **Donations are due no later than November 30th.**
